

DISCOVER THE JOY OF VOLUNTEERING WITH HAPPY HEARTS FUND

At Happy Hearts Fund, we feel that everyone has interests and skills that, when put to use, enable us to make a real difference in the lives of children that have been impacted by natural disasters. Volunteering time, talent, work and HEART go a long way and every hour a volunteer spends to help HHF, translates into the caring and attention for a child. It helps to foster positive effects in the local community, creating a new dimension in their own lives and the lives they touch.

HHF's goal is to recruit volunteers and engage people of all generations in impact-driven projects. And when we approach volunteers with a heart to serve, we find unity within the community, an opportunity to be with others, and a joy in helping those in need. While we understand that it's possible to look at the size and scope of the HHF projects and think volunteering won't make a difference, the truth is that there are many needs that exist and we need your help!

The best place to start begins at the "Get Involved" section at www.happyheartsfund.org. Once you decide you want to explore a specific serving opportunity, simply click on the area where you have an interest, whether it's an international or community based outreach, and sign up for it online. The great news is that you can tailor your serving to fit your schedule and your season of life. Most volunteer opportunities can be catered around your schedule throughout the week.

Last month, musicians Tim Kasher, Pete Yorn, and Craig Werden volunteered their time and talent to hold a concert in Los Angeles where proceeds from the event were donated to HHF to help our

rebuilding efforts in Haiti. Volunteers can create resources to assist in a HHF sponsored project, serve at a special event, write web articles, help with “on the ground” projects and network HHF in local communities, help out in the office, or be part of a group working on a special project. The call to engage internally and in the community is stronger than ever!

A volunteer for the Happy Hearts Fund is "anyone who willingly gives time to help in accomplishing the HHF mission." Volunteering can give you an opportunity to change lives, including your own. It helps to sustain a culture of relationship-building among many groups, including youth, seniors, businesses and more. If you'd like to support HHF but can't afford to donate money, you can donate your time instead. Our dream is to have a group of people with great heart! People willing to take action and bring happiness to many hearts! It's all about the journey!

“The heart of a volunteer is not measured in size but by the depth of the commitment to make a difference in the lives of others” - DeAnn Hollis.

HHF receives specific donations to underwrite all administrative and fundraising expenses, allowing all public donations to support our programs.

With our heartfelt happy wishes,

Happy Hearts Fund Team

Let us know if you like our “HAPPY newsLETTERS” and feel that they are informative. If you have any questions or comments on what you would change or programs you want to hear about please email us to feedback@happyheartsfund.org. We would be really happy if you connect with us – remember, communication is a two-way street!
